

Amneal Generic for Minastrin® 24 Fe Now Available

Melodetta™ 24 Fe adds to growing women's health line

Bridgewater, NJ (USA), September 28, 2017 - [Amneal Pharmaceuticals LLC](#) has launched generic Melodetta™ 24 Fe, its AB-rated therapeutic equivalent for Minastrin® 24 Fe. Both the active tablets (norethindrone acetate and ethinyl estradiol, USP, 1 mg/20 mcg) and non-hormonal ferrous fumarate tablets, 75 mg, can be chewed or swallowed whole. The product comes in a box of three blister packs, each containing 28 tablets.

Manufactured at Amneal's newly-expanded Brookhaven, NY production facility, Melodetta™ 24 Fe is available to wholesalers, distributors and direct to the trade. It is the 11th product and 8th oral contraceptive to join the company's growing women's health product line.

Annual U.S. sales of Minastrin® 24 Fe were approximately \$350 million, according to July 2017 QuintilesIMS market data.
